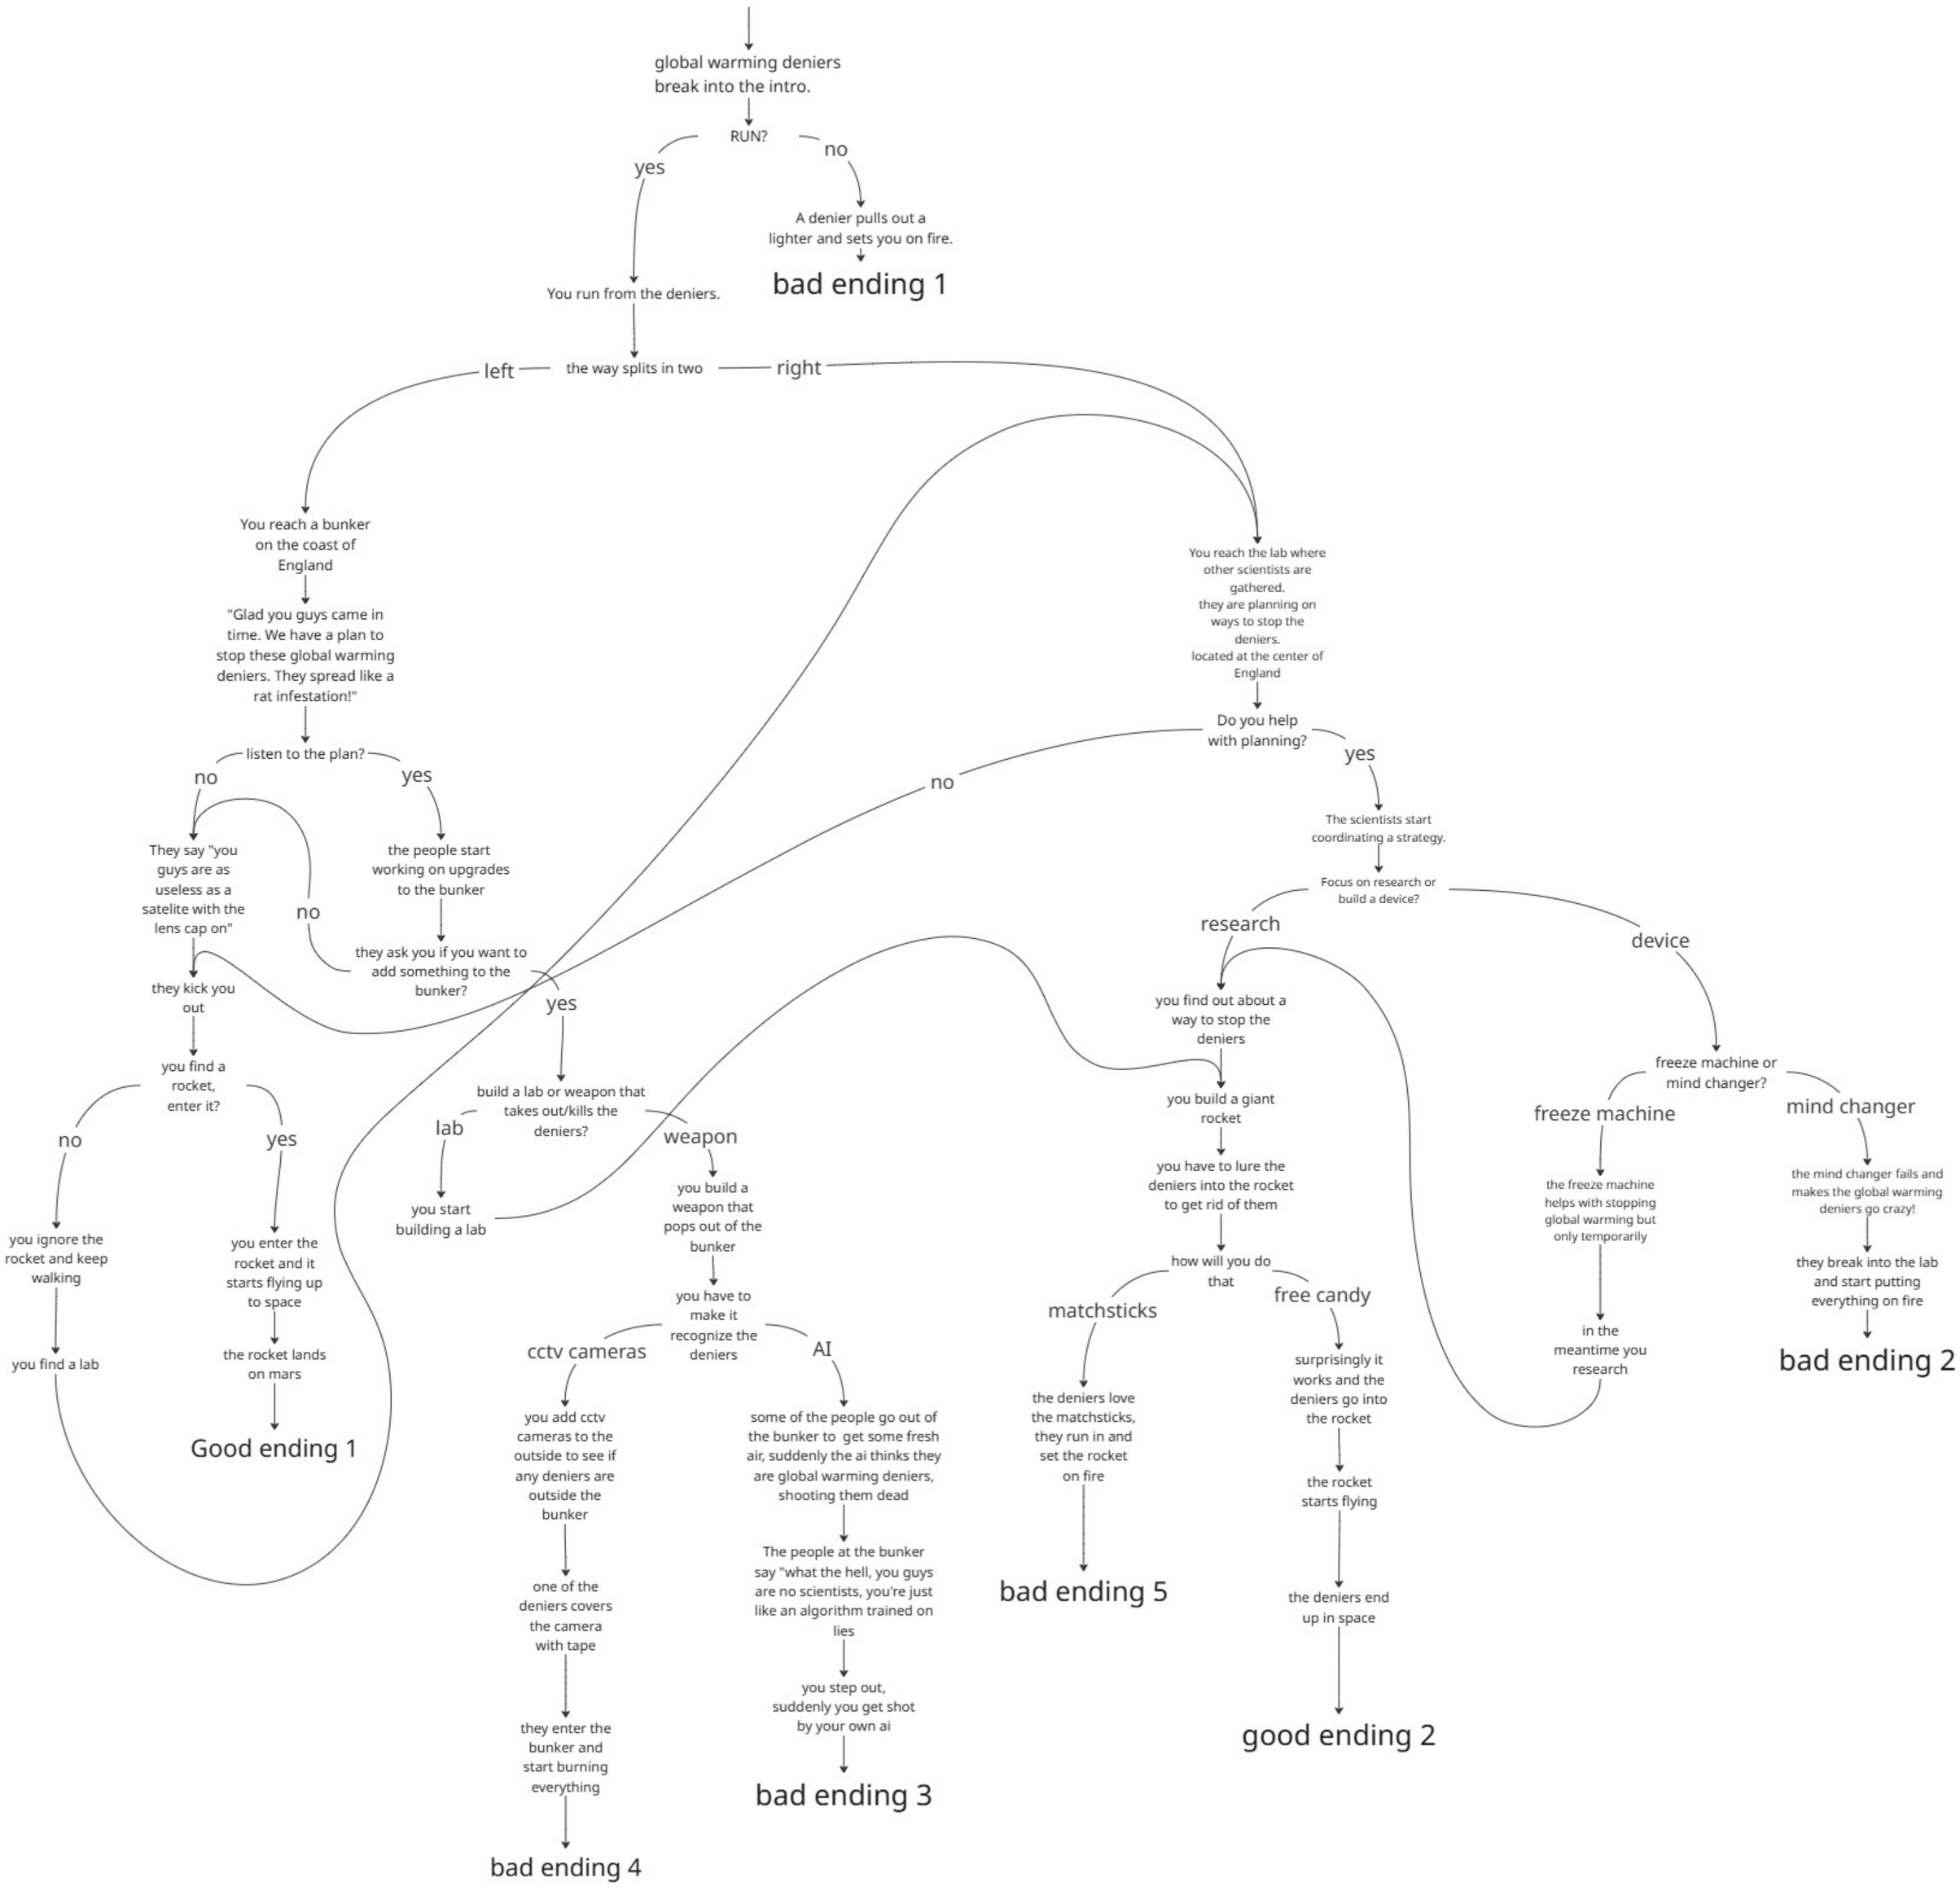
Intro



global warming deniers break into the intro.
RUN?
yes
no
A denier pulls out a lighter and sets you on fire.
bad ending 1
You run from the deniers.
the way splits in two
left
right
You reach a bunker on the coast of England
"Glad you guys came in time. We have a plan to stop these global warming deniers. They spread like a rat infestation!"
listen to the plan?
no
yes
They say "you guys are as useless as a satelite with the lens cap on"
the people start working on upgrades to the bunker
they ask you if you want to add something to the bunker?
no
yes
they kick you out
you find a rocket, enter it?
no
yes
you ignore the rocket and keep walking
you find a lab
you enter the rocket and it starts flying up to space
the rocket lands on mars
Good ending 1
build a lab or weapon that takes out/kills the deniers?
lab
weapon
you start building a lab
you build a weapon that pops out of the bunker
you have to make it recognize the deniers
cctv cameras
AI
you add cctv cameras to the outside to see if any deniers are outside the bunker
one of the deniers covers the camera with tape
they enter the bunker and start burning everything
bad ending 4
some of the people go out of the bunker to get some fresh air, suddenly the ai thinks they are global warming deniers, shooting them dead
The people at the bunker say "what the hell, you guys are no scientists, you're just like an algorithm trained on lies
you step out, suddenly you get shot by your own ai
bad ending 3
You reach the lab where other scientists are gathered.
they are planning on ways to stop the deniers.
located at the center of England
Do you help with planning?
yes
no
The scientists start coordinating a strategy.
Focus on research or build a device?
research
device
you find out about a way to stop the deniers
you build a giant rocket
you have to lure the deniers into the rocket to get rid of them
how will you do that
matchsticks
free candy
the deniers love the matchsticks, they run in and set the rocket on fire
bad ending 5
surprisingly it works and the deniers go into the rocket
the rocket starts flying
the deniers end up in space
good ending 2
freeze machine or mind changer?
freeze machine
mind changer
the freeze machine helps with stopping global warming but only temporarily
in the meantime you research
the mind changer fails and makes the global warming deniers go crazy!
they break into the lab and start putting everything on fire
bad ending 2
